Dear Camper:

This year we are offering a “Camp Bank” to hopefully make life easier for the parents/guardians of our campers. Here’s how it works. We will have a concession stand open during camp hours for the entire week. The stand will sell Gatorade, Skittles, Airheads, and various snacks for purchase by campers. Instead of sending your child to camp each day with money, you can make a ‘deposit’ in our camp bank in advance or during the week of camp, and your daughter can draw on that deposit each day. We will keep a record of her ‘account’ and if money is left at the end of the week, you may pick it up on the last day of camp. In order to simplify registration, we ask that you send your camp bank money 2 weeks prior to camp. Please make checks payable to Marquette University (or you can pay cash on the day of registration) and include the form below. The average amount deposited by campers is approximately \$20/week. We have found that having money in the camp bank has been convenient because campers do not have to worry about misplacing or losing her money. Money can always be added during the week if necessary.

We hope taking care of this before camp begins will make registration a lot easier for you!! If you have any questions feel free to call Veronica Mullen at (414) 288-0332.

**Mail checks and form to: Marquette University – Al McGuire Center
